【到達目標】

Students will develop the skills and confidence to give many varieties of video presentations in English. Students will undertake individual research projects and prepare scripts for their presentations. Students will reach the stage at which they can complete a video presentation. Students will then organize a presentation to be delivered at a national conference in December.

【授業の概要】

The class will instruct students about video presentations, interviews, group and individual work projects, story boards, script writing and different forms of self-expression. Our goal is to give a presentation at a student conference in November/December
